

SummerGong Series 2017

hosted by

COME AND TRY ORIENTEERING!

Set over four consecutive Sunday mornings the SummerGong series is ideal for beginners to find out what orienteering is all about, while taking in the scenic parks and coastline that the Wollongong region offers.

Events will be a 45-minute score format – you have to visit as many controls (or checkpoints) as possible on the map provided within the time limit. Or try a short 1-2km introductory course.

Enter as an individual, group, or family.

Walk, jog or run – go at your own pace!

Coaches will be on hand at the start to introduce the sport to newcomers.

Entry is \$10 per person or group, plus an additional \$4 for hire of an electronic control stick. Children free
